THERE TO CARE: INVESTING IN A HEALTHY ARIZONA

## Flu Vaccine Initiative Timeline

### October

- Order free flu vaccine campaign posters from the CDC.
- Encourage all employees, especially those who have patient contact, to receive the flu vaccine.

### November

- Stage a “Flu Shot Week” for all employees.
- Conduct “Flu Rounds” on all nursing units.

### December

- Promote awareness of ways to avoid spreading the flu such as extra vigilance about hand washing and staying home when sick.
- Continue offering flu vaccines.

### January

- Message: “It’s not too late to get vaccinated.”

### February

- Flu season typically peaks
